

Perfect Fit Kit - Toyota 2-DIN Installation Kit for Toyota Vehicles

Introducing Alpine's premium high gloss 2-DIN bezel and wiring harness designed for perfect upgrade of Toyota vehicles with the factory 200mm head unit. The bezel is finished in 'Piano Black' which is perfectly matched to Alpine audio visual and navigation head units to provide an OEM look and uncompromised aesthetic integration.

Fitting kit includes 2-DIN bezel and plug and play wiring harness. Optional Alpine steering wheel control interface available.
